

January 25 and 26, 2017

**Coast Coal Harbour Hotel
1180 W Hastings Street
Vancouver, B.C. V6E 4R5**

The Mariners' Workshop is an annual event organized by the Shipping Federation of Canada in collaboration with the Canadian Hydrographic Service, the Canadian Coast Guard, Transport Canada (Marine Safety), Environment Canada Climate Control, the St. Lawrence Seaway Management Corp., the U.S. Coast Guard, Dr. Lee Alexander from the University of New Hampshire, and most importantly of all, mariners.

The purpose of the workshop is to explore mariners' concerns with a focus on electronic navigation (e-Navigation). The workshop facilitates dialogue between mariners and e-navigation support service providers, manufacturers, and regulators.
